

Discuss Another Site For Proposed Big Airport

The Frankfort Village Board, the Frankfort Planning Commission and the Frankfort Chamber of Commerce are all opposing establishment of an airport northeast of the community and should Green Garden be chosen as a site they would have the runways located as far south of Frankfort as possible.

Attorney Albert H. Krusemark, who has been investigating the airport proposals for the Chamber of Commerce and the village board made a report to the village trustees Monday night.

Of primary concern to the community, he said, is the area marked Site I on a map of the Chicago Airport Site Selection Study dated September, 1967. This site has a western boundary of a line half a mile east of U.S. 45, an eastern boundary of I-57 highway, and north and south it lies between I-80 to the north and the Michigan Central tracks on the south.

The western boundary of the proposed site, Krusemark said, would be the eastern boundary line of the village of Frankfort. If this site were chosen- he pointed out, there would be dislocation and disruption of existing residential area, transportation routes and existing utilities, not to speak of the noise problem which would subject not only Frankfort but neighboring communities to great hardship. Particularly mentioned as being effected are Mokena, Matteson, Tinley Park, Park Forest, Richton Park, Olympia Fields, Flossmoor, Homewood, Country Club Hills and Chicago Heights.

This site would cut off U.S. 30, the main arterial highway between Chicago Heights and Joliet and all of the sur-

rounding communities Krusemark said. Relocation of the highway would not only be expensive, he added, but impractical and inconvenient as far as residents of Frankfort and adjoining areas are concerned.

The entire site, it was stated, lies within the Hickory Creek watershed which contains thousands of acres and includes the surface drainage for parts of Rich, Orland, Bremen and Frankfort townships. Two organized drainage districts, with their open ditches, are also within the site. So are substantial areas of wooded land and forest preserve property which would be destroyed if an airport is built there.

The noise factor alone would make all school sites in the area useless, it was pointed out. Lincoln - Way High School has a site just west of U.S. 45 at the east end of Connecticut Hills that could not be used if the airport is built northeast of Frankfort, Krusemark said.

Frankfort has a population of approximately 2,000, he added, while Arbury Hills has 400 families, Lincoln Estates, 300 families and Glen Ridge Estates, 300 families. The last three communities would be wiped out by the proposed airport and Frankfort residents would probably flee to a more quiet spot, it was pointed out. It was estimated by Krusemark that more than 4,000 people on the perimeter of the airport would be adversely effected by this site.

Krusemark said that in the event Green Garden is chosen as an airport site it was recommended that the runways be located at least five miles south of Frankfort.

He repeated a statement made at a previous meeting

that while everyone appeared to be in favor of having airports no one wanted to have one close by.

The Joliet City Council wants to saddle an airport on Homer Township and has some grandiose scheme of buying some 15,000 acres and leasing it to the City of Chicago.

The Joliet Chamber of Commerce was for this Homer deal at first but has swung over now in support of building an airport in Green Garden. This Green Garden idea came from the Chamber of Commerce at Kankakee.

There was a meeting of Green Garden residents last week at which the airport question was discussed. Reports since say that it was believed more people favored the scheme than opposed it.

Wherever the airport is located, Green Garden, Frankfort, or Homer the site will be annexed to the City of Chicago because Chicago isn't going to have another major airport in the region unless it controls it, it was brought out.

Local persons who have studied the situation say it is only fair that Chicago should have a voice over the deal because Chicago, Cook County or the federal government are the only political bodies that can afford to build a monster airport. Joliet and Will County, it was pointed out, don't have that kind of money and it was not believed the people of Joliet or Will County would vote to tax themselves to build something that would benefit Chicago more than the local area.

"Chicago would get all the meat," remarked a political observer, "while all we would get down here would be a few scraps and maybe a small bone."

Mokena School Board Raises Teachers Pay

The Mokena board of education has granted raises for the 1968-69 school year to grade school teachers of District 159.

The beginning pay was raised from \$5700 to \$6300 for teachers with a bachelor's degree without experience and from \$6042 to \$6678 for teachers holding a master's degree.

Teachers may receive annual increases for 13 years with the maximum salary at the 13th year for teachers holding a bachelor's degree set at \$9324 and \$9702 for teachers holding a master's degree.

It was further agreed that "teacher aides" will be hired to assist teachers in kindergarten through third grade in the classrooms and to help all other teachers in their extra-duties.

Non-certified personnel can make valuable contributions in the instruction of students in our schools. Although non-certified personnel have been used to assist with instruction in schools in other states, and to some extent in Illinois, it was not

until July, 1967, that the practice was specifically approved by law in Illinois. House Bill 1889, approved by the 75th Illinois General Assembly and signed into law, authorizes boards of education to employ any kind of non-certified personnel deemed necessary for the operation of the schools in

Adult Ag. Class Meets Tonight

The Lincoln - Way High School Agriculture Department will sponsor another in the series of Adult Evening Classes tonight (Feb. 22) at 7:30 p.m. in room 144.

"Soil Management - More Profit" will be the topic for the discussion. Allan May of the United States Soil Conservation Service, Joliet, will be the speaker.

Next week's subject (Feb. 29) will be on farm credit.

There is no tuition charge and the meeting is open to all those interested.

the district.

The law specifically distinguishes between non-certified personnel for non-teaching duties "not requiring instructional judgement or evaluation of pupils" and "non-certified personnel to assist in the instruction of pupils under the immediate supervision of a teacher."

Present guidelines in Illinois specifically prohibit a teacher aide from initiating instructions. The following is a list of duties that a teacher aide might do:

1. Take attendance and maintain attendance records.
2. Set up and operate film and overhead projectors and other audio-visual machines.
3. Type, duplicate, and file instructional materials.
4. Assist in playground activities.
5. Prepare and maintain bulletin board materials.
6. Record grades and maintain student records.

As soon as a job description and qualifications for employment are completed, applications will be accepted for the coming September.

SESSICENTENNIAL FLAGS are being flown at both Mokena public schools in observance of the 150th anniversary of Illinois statehood. The two youngsters here, Brad Miller (left) and Gene Golden, are preparing to raise one of the flags at Willowcrest School. The flag is blue with white stars and a white I, and map of the state within the I is red. (Mokena School photo)

Marine Dies On Patrol - Hold Funeral Tuesday

Cpl. Robert L. Stanek, 21, United States Marines, a former resident of Mokena, was killed in action Feb. 4 while on patrol near Thua Thien, Viet Nam. The body was returned to the States and last rites were conducted Tuesday at the Sonntag-Wiley Funeral Home at Joliet with interment in Pleasant Hill Cemetery, Frankfort.

Cpl. Stanek was graduated from the Mokena Grade Schools and began his high school work at Lincoln-Way but transferred to Milan (Tenn.) High School when his parents, Mr. and Mrs. James J. Stanek moved there.

Upon his graduation from

CPL. R. L. STANEK

Milan High, where he excelled in football and track, Robert enlisted in the Ma-

rine Corps in December, 1965. He had put in eight months in Viet Nam when he was killed. Six months before starting his overseas service, Cpl. Stanek was married to Miss Judith Nichols, formerly of Milan. She now resides with her parents at Galion, O.

Besides his wife and parents, Cpl Stanek is survived by two brothers, James Stanek, of Mokena, and Joseph Shaffer, of Chicago, and one sister, Cindy, of Milan.

In lieu of flowers a memorial fund was set up in Cpl. Stanek's name to be used for playground equipment or in some other way to benefit children. Cpl. Stanek liked youngsters. Any contributions may be forwarded to James Stanek, at Mokena, for deposit in a special fund at the bank.

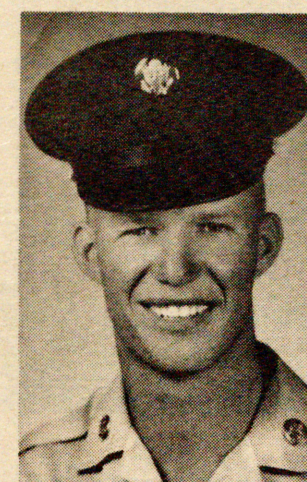

Dale Mancke Wounded In Battle At Saigon

Mr. and Mrs. Warren Mancke, 189th & Wolf Rd., Mokena, received a call from their son, Specialist 4 Dale W. Mancke, Friday evening, Feb. 16, from a hospital in Japan, to tell them he had been wounded Monday, Feb. 12.

Spec. Mancke received a broken elbow and shrapnel in his left leg in battle in Northwest Saigon, Vietnam.

He was part of the 22nd Infantry Recon. of the 25th Infantry Division, entering service May 24, 1967 and shipped overseas Oct. 23, 1967, after receiving his basic at Ft. Leonard Wood, Mo. and Camp Polk, La.

He is a 1964 graduate of Lincoln-Way High School and attended Joliet Junior

DALE MANCKE

College for two years prior to his induction in the army.

Besides his parents he has a sister, Jeanne, who is a dental assistant.

Area Family Gets Overdue Phone Call

JAMES PEYTON
Telephone: 532-1516

I would like to report on an incident that made this reporter very happy, namely a long distance phone call from son Howard (Airman 1st Class James Howard Peyton Jr.) who is stationed in Okinawa. He stated that he is well and as happy as any other service man away from home and that they are keeping him extremely busy, however he could not give us any details concerning his duties etc. He says Hello to all his friends and hopes to see them all before the summer is over.

Last week I reported that Mr. VanCuren, father of Mrs. Aneadra Gunn of Pleasant Ave. had returned home from Silver Cross Hospital and was reported improved. He has since been admitted to Presbyterian - St. Lukes Hospital at 1753 Congress Pkwy. Chicago, Illinois. His Room Number is 250 B and all cards will be appreciated by Donald.

I would also like to report that Mr. George Tate our Township Supervisor is in Silver Cross Hospital (Room 293) and all cards and let-

ters will be appreciated also.

We did not burn the bus shelter down because some of our boys do appreciate the opportunity to be in out of the cold and wind and rain so they took it upon themselves to repair the bus shelter and they did a tremendous job. The five boys who did this terrific job were Mark and Larry Sandy, Jimmy and Ronnie Wood, and Steve Hubbard. If these boys think enough of the bus shelter to repair it maybe the rest will think enough of it to protect its existence or at least let us know who is damaging it from now on.

To all baseball fans. Don't forget that registration day is Sat. March 2, and the registration fee must be paid by March 9. All who are interested must furnish their own transportation or make arrangements.

A warning to the residents whose dogs are still running loose. They will be picked up and you will be fined. This is not a town ordinance but is a county ordinance. Also if your dog ruins your neighbors property (flowers, shrubs, trees, etc.) you can be made to pay for replacements.

Open Letter from the HIRSCHS'

Dear friends,

In addition to the exacting demands of the art and technical care of the deceased, the professional services of the funeral director are of major importance.

The funeral director must be a competent counsellor, able to handle all situations amid extreme mental and emotional chaos. He must always be compassionate, capable, and thorough, in order to resolve any confused situation which might arise into one of calm and reassurance.

Respectfully,

Tim Hirsch

Arthur F. Maue, 85, Is Traffic Victim; Last Rites Monday

Funeral services were held Monday afternoon at 1:30 o'clock for Arthur F. Maue, 85, 179th St. and 180th Av., Orland Township, who was fatally injured Thursday in a collision with a truck.

Mr. Maue was traveling south on Oak Park Av. at about 151st St., when his car swerved over into the north-bound lane, according to the police report, and struck the rear tandem wheels of a semi-trailer heading north. Driver of the truck, James Dawson, 25, of Felicity, O., tried to avoid the collision by pulling over on the shoulder but could not get entirely out of the way. The Maue car skidded across the road for a distance of 110 feet, according to the report, and landed in a ditch, it was reported.

Mr. Maue was a director of the Lake-Cook Farm Supply Co. for 26 years and also served as its treasurer. He was a member of a Selective Service Board of Ap-

peals for 25 years, retiring last month. At the time of his retirement he was presented with a citation from the federal government.

He was a member of the Cook County Farm Bureau; Mount Joliet Lodge, No. 42, A.F. & A.M., and St. John's United Church of Christ at Mokena.

Besides his widow, Alice, Mr. Maue is survived by a son Owen C., president of the Mokena State Bank, who also reside on 108th Av.; one brother, Carl, two grandchildren, Arthur H. Maue and Mrs. Kay Miller, and two great-grandchildren. A sister Mrs. Anna Thiele, preceded him in death.

Services for Mr. Maue were conducted at the Schmaedeke Funeral Home, Orland Park, with the Rev. Laslo L. Hunyady, pastor of St. John's Church officiating. Interment was in St. John's Cemetery, Mokena.

Emma Boehm Dies; Lifelong Resident

Mrs. Edward (Emma) Boehm, 81, late of 19433 Wolf Rd., Mokena, died Thursday, Feb. 15 at Silver Cross Hospital, Joliet, following a brief illness.

Mrs. Boehm was born Oct. 19, 1886 near Manhattan, and was a lifelong resident of Will County.

She was a member of St. John's United Church of Christ, Mokena and the Ladies Guild of the church.

Survivors include her husband Edward; three daughters, Mrs. Eleanor Kraus of Mokena, Mrs. Ruth Roemer of Manhattan, and Jane Broeker of Culver, Ind.; three sons, Raymond Bisgrove of Mokena, Ed-

ward Boehm of Denver, Colo. and Frank Boehm of Chicago; a sister, Mrs. Esther Mackey of Joliet; a brother, Louis Stauffenberg of Manhattan; 17 grandchildren and two great-grandchildren.

Two brothers, John and Frank, preceded her in death.

Removal was to the Hirsch Memorial Chapel, Tinley Park, where services were held Sunday, Feb. 18, at 2 p.m. with the Rev. Laslo Hunyady officiating.

Burial was in Manhattan Center Cemetery.

The family suggested memorials to St. John's Church.

Hold Services For Hattie Brandau, 74

Mrs. Walter (Hattie) Brandau, 74, late of 150 Walnut St., Frankfort, died Saturday, Feb. 17 at her home following a short illness.

Born at Tinley Park in 1893, she had lived in Peotone Township for many years and at Tinley for 15 years. The past 23 years she has lived in Frankfort. Her husband is a retired farmer.

Surviving are her husband, Walter; a daughter, Mrs. Wilfred (Ruby) Blessner,

and a granddaughter.

She was preceded in death by her parents, Henry and Louisa Andres; a daughter, Leota, and three brothers, Henry, Leo, and Dewey Andres.

Removal was to the Baskerville Chapel, New Lenox, where services were held Tuesday, Feb. 20, at 2 p.m. with Rev. Thomas Hardwick officiating.

Interment was in Pleasant Hills Cemetery, Frankfort.

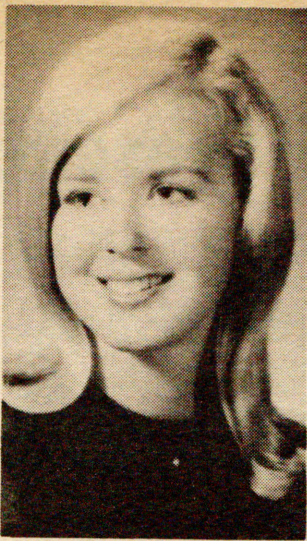

Sticker Deadline

The Frankfort police dept. has announced that effective March 1, any car or truck not displaying the vehicle sticker in a prominent place on the windshield, will be ticketed and summoned into court. Failure to appear to this summons places a person in contempt of court, which becomes a serious problem far in excess of the cost of a sticker or the effort expended to put it on the windshield.

The dept. has been placing warning notices on cars and trucks on the streets of

Frankfort. To date, they have placed over sixty such warnings reminding the owners of our ordinance which reads, "All cars or vehicles regularly parked or housed inside the village of Frankfort, must have attached a current vehicle license or sticker."

The police dept. on orders of the village board will begin enforcing the junk and/or abandoned vehicles ordinance. This will include cars parked at the curb that are not licensed.

JUDITH NOVAK, daughter of Mr. and Mrs. Robert Novak, 14606 West Av., Orland Park, has received a college scholarship from the Aileen S. Andrew Foundation. The scholarship, \$1,000 a year for a maximum of four years, is awarded to children of employees of Andrew Corporation, an electronics company in Orland Park. Judith is a graduate of Carl Sandburg High School and is attending Murray State University at Murray, Ky., where she is majoring in music. Her father is an employee of Andrew Corporation.

Youth Group Meets Tonight At Orland Pk.

Orland Citizens for Youth meets tonight in the cafeteria of the Orland Park Grade School, 143rd St.

The group, made up of adults and teens, is slated to name a steering committee at tonight's meeting, according to the president, Frank Guetter, to arrange for the staffing of the monthly dances.

Proceeds from these dances are placed in a fund that eventually, the organization hopes, will enable the group to erect a community center. To date, Guetter said, there is \$955.37 in this fund, which is on deposit in the Orland State Bank.

Lent Makes Change In Meetings

Due to the Lenten Season the Mokena Board of Education will change its Wednesday board meeting dates to Tuesday, Feb. 27, Tuesday, March 12, and Tuesday, March 26. The balance of the meetings as previously published remain unchanged.

Dist. 230 Board To Meet With Central Assoc.

The regularly scheduled meeting of the board of education of Consolidated High School District 230 set for next Monday night, Feb. 26, will not be held, it was announced thru the office of Supt. W.O. Fisher.

Instead the board will meet with the committee from the North Central Association on the regular evaluation of Carl Sandburg and Alonzo Stagg high schools. It is on such evaluation that the schools are admitted into North Central.

Frankfort Annexes Airport

An ordinance annexing the Frankfort Airport, on Center Rd. to the village of Frankfort was adopted by the village board at its regular meeting Monday night.

The board directed Village Attorney August Santoro to petition the zoning board of appeals and ask that R-1 lot sizes be changed from the current 80 x 140 feet to 90 x 130, in conformance with the recommendation of the planning commission. Also included will be a change in the set back from the side lot lines. It has been five feet and now it would be 10 feet and measuring from the extremities of the house -- which could be gutters or overhang.

Burton Breidert, planning commission chairman, reported approval of subdivision plats filed by Albert H. Krusemark -- one for Unit 7 of Krusemark's Subdivision and one for a new subdivision, Chelsea, on Center Rd.

The plan commission wants set backs established for industrial buildings. Breidert asked that the village again budget \$3,000 for the planning commission. It is consulting professional planners.

Breidert also sold the village on ordering a new sign to mark an entrance to the village. The sign will follow the 1890 theme and will cost the village \$200 or \$300. Builders in Connecticut Hills have been derelict in their obligations to obtain building permits before beginning work, according to Trustee Wilbur Klier. If they have obtained permits, he said, they show no evidence of it and he recommended that such jobs be halted. The board agreed. When building is started a building permit must be shown, if it is only mounted on a stick thrust in the earth, it was explained. Klier also charged that a number of contractors are evading village requirements to set culverts

properly and cover them with six inches of stone. In Connecticut Hills, Klier said, contractors have been covering culverts with dirt.

The board is taking steps to have a tract of land north of the O'Aces restaurant off U.S. 45 rezoned to its former classification. It had been re-classified to permit multiple family dwellings but nothing has been done and the time has gone by. It will revert from R-3 to R-1.

The village is planning to drill a third well. The south end of the park has been subjected as the site, pending determination of whether the village can use some of the park property in such fashion. Village Engineer Robert Hamilton gave the board an estimate of \$15,000 for such a well, completed.

Letters are going out to lot owners early reminding them that if they fail to keep the weeds cut the village will do it and charge them \$8 an hour for the service.

The board also sent a letter to the police department thanking the members for buying a radio thru funds which the department raised at dances. They spent some \$1,100 on a radio for police use.

Endorse Mokenan For County Auditor

J. Merle Needham, of Mokena, assistant supervisor of Frankfort Township has been endorsed by the Will County Republican Central Committee, for county auditor in the party's primary June 11. Needham is a retired official of the Rock Island Lines. He retired as an assistant vice president and prior to that was comptroller.

This was one of several endorsements given by the committeemen at their meeting last Saturday in D'Amico's 214 at Joliet.

Louis Bertani, Joliet, a member of the law firm of Krusemark & Bertani, was endorsed as the GOP candidate for state's attorney. Also seeking the committee's endorsement for this nomination was William Penn, formerly of New Lenox and now a resident of Joliet. Penn is a member of the law firm of Cirricione & Penn.

Also given endorsement was Willard G. Blood for re-election as coroner; Kenneth George, of Elwood, for re-election as county recorder; William G. Barr, Joliet, and W. Robert Blair, for re-election as state representatives from the 41st (Will County) district.

No choice was made by the committee for clerk of the circuit court. Two candidates have announced for the office, Sam Paul, supervisor of Troy Township, and Frank Burich, of Lockport.

Thomas Feehan, party chairman, said that several ballots were taken on the circuit clerk's race and neither of the announced candidates was able to get a two-thirds majority vote which was required to get the committee's endorsement.

Endorsements by the committee, it was pointed out, do not close the door to anyone who wants to enter the

primary for any of the offices.

Tinley Youth Dies In Crossing Crash

One Tinley Park youth is dead and his companion escaped without serious injury in an auto-train collision on a grade crossing last Friday morning at 7:55 o'clock.

Killed was Kenneth McCarthy, 18, of 6533 Hubbard Lane, Tinley Park. His companion and driver of the car is James Prince, 18, of 17311 Harlem Av.

The crash occurred on the New York Central crossing on Harlem Av., south of U.S. 30. Prince was driving south and a 10-car freight train was heading east on the railroad.

Prince told troopers from Dist. 5 that he heard a train whistle but didn't see it. The locomotive struck the car on the passenger's side but carried it only a short distance along the tracks.

Both occupants of the car were taken to St. James Hospital, Chicago Heights. McCarthy was pronounced dead on arrival and Prince admitted for treatment. He was released from the hospital Sunday.

Funeral services for Kenneth McCarthy were held Monday morning from St. George Roman Catholic Church with interment in Holy Sepulchre Cemetery, Worth Township.

Besides his parents, Charles and Joann McCarthy, Kenneth is survived by a sister, Joann Marie; two brothers, Robert and Lawrence and his maternal grandparents, Mr. and Mrs. Ivan MacDuff, of Arkansas. Kenneth McCarthy was graduated from Tinley Park High School last June.

THREE MEMBERS OF St. Jude's Council of Catholic Women, New Lenox, who are planning their fashion show "Journey with Fashions", are left to right: Mrs. Edward Chesko, publicity; Mrs. Vincent Gelsomino, decorations, and Mrs. William McBride, co-chairman of the show.

The show will be held Feb. 27 at the Fred Francis 4-H Field, New Lenox, beginning at 8:00 p.m.

Observe FFA Week

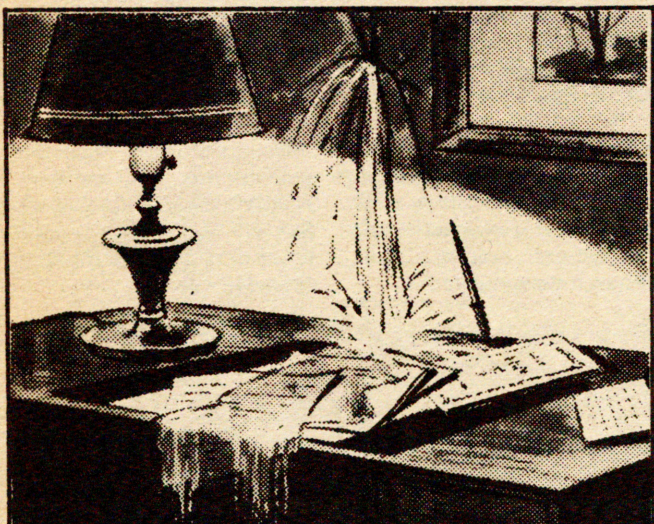

Vocational agriculture students and FFA members at Lincoln-Way High School will join the 450,000 Future Farmers of America throughout the nation in activities to focus attention on the importance of agriculture during

ing National FFA Week, Feb. 17-24.

This year, the FFA Week theme is, "Challenging Youth In Agriculture." These young agriculturists are trying to inform the public of the importance of the agricultural industry to America and to the world, the value of good citizenship development, and the role of the Future Farmers in helping to meet the challenges in world food production that face America today.

Membership in the FFA is made up of students of vocational agriculture in high school. The organization's activities are designed to help develop rural leadership and good citizenship and to stimulate the students to better achievements in their study and work towards successful establishment in farming and other agricultural occupations.

The week of George Washington's birthday was chosen each year for the observance of National FFA Week. Most people usually think of Washington as a young boy who chopped down the cherry tree or the first president of the United States. Washington's first love was actually for the farm. George Washington was one of the first in the nation to practice contour farming, crop rotation, fertilization and other soil conservation and improvement practices.

Brownie Troop 376 Meet; Discuss Day Camp Plans

LINCOLN ESTATES
MRS. EMIL WILLE
 Telephone: 469-5277

The Lincoln Estates brownie troop No. 376 is registered for another year with 16 girls. The leader is Mrs. Lee Gericke. Mrs. Lynn Chidester is the assistant leader. Committee mothers are Mrs. Floyd Harmon, Mrs. John Schwarz and Mrs. Don Schofield. We have one new brownie, Crystal Arnold, who will be invested on March 14. Bookkeeper for the month is Diana Harmon. The troop voted on names suggested for Triken Day Camp which will be held July 15-19, and the name sent in was suggested by Rosie Fields. Two girls from the troop were sent to the Jr. camp council meeting which was held at St. Johns in Mokena, Feb. 14. The girls selected were Rosie Fields and Becky Koester. The troop is working on Our Girl scout Birthday luncheon and program which will be held Saturday, March 16, during Girl scout week. In the spring the troop will work on their outdoor skills in preparation for day camp. Mothers are needed to help in the units or nursery at day camp so that all girls

may attend. Anyone willing to donate a little time to girl scouts during July 15-19, please contact Mrs. Lee Gericke at 469-5311.

Barr Declares For State Income Tax

In a speech to the PTA from Manhattan, Beecher, Frankfort and Peotone this week, State Representative William G. Barr who is seeking re-election, declared himself in favor of a flat rate state income tax.

He said he realized that a candidate was putting his head on the block in declaring for a state income tax but he has hopes of getting the support of people who want more money to spend on

schools.

The schools in Will County, he said, get approximately 71 per cent of the tax dollar and the state paid 23 per cent more in 1965-66. In the 1967 - 69 biennium, Barr said, the state will spend almost two billion -- \$1,813,115,000 on education.

The schools want more money and Barr believes that the only way they can get it is thru a state income tax.

List Providence Free Toss Tourney Winners

The second annual Free Throw tournament sponsored by the Providence High School Booster Club had 146 boys of the 5th, 6th, and 7th grades participating.

Bob Schaper of Oakview Grade School, New Lenox, won the fifth grade championship, while Tim Heintz of Laraway was the most accurate marksman in the sixth grade competition. Steve Elberts out shot all seventh graders for the championship award. All three boys will receive trophies.

Second place finishers, who will receive gold medals, were Brian Edwards of Laraway of the fifth grade; Carl

Ullian, sixth grade of Laraway; and Rudy Pucel, seventh grade of St. Joseph, Joliet. Rickey Rizzo of St. Mary Magdalene; Steve Ducharme of Troy; and Terry Sparks of Troy, will receive silver medals for their third place finish in the fifth through seventh grades respectively.

All winners will be honored at the Providence - H. L. Richards basketball game Saturday, Feb. 17, in the Providence High School gym. Trophies and medals will be awarded at half-time of the varsity game. If any boy is unable to be present, he is to call Len Wedic at 727-1875.

Dance Is Saturday, Feb. 24

MRS. EDWARD HOVI Telephone: 479-5740

There will be a dance held at the Arbury Hills school, Saturday evening, Feb. 24. It will run from 7:30 p.m. until 10:30 p.m. and is for the youngsters from seventh grade through high school. The cost of the dance will be 75 cents per person.

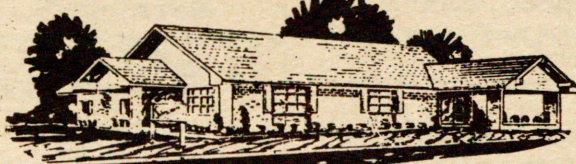

Music will be provided by a new combo who are called the "Silent Explosions, Part 2". Come one

and all for an evening of music and dancing.

Don't forget that the first day for filing a petition to run for the school board of the Arbury Hills School is Feb. 28. Petitions are now available at the school office during school hours. They may be obtained from either Mr. Avila, the superintendent of the school, or Mrs. Griffin, the school secretary.

The Harold Maschmeyer family on Rosewood Lane had a surprise visit from their oldest boy Harold who is in service. He happily found out after reporting for overseas assignment following the furlough that he will be stationed instead in the United States for the remaining five months of his enlistment.

CAR TOONUPS by ALEX AUTO SERVICE

"I wanted Sarah in Minnesota... not Minnie in Sarasota!"

How to get your money back if you make a wrong distance phone call.

A finger can slip, a switch can get fouled up and ZAP! — a call intended for Springfield, Ohio (Area Code 513) ends up in Springfield, Massachusetts (Area Code 413).

When a wrong number happens to you, we don't want you to pay for the call. Here's what you do to avoid being charged for wrong numbers on the calls you dial.

After you blush, apologize and hang up, dial the Long Distance Operator and tell her you reached a wrong number. She'll see you're not charged for the call and help you get the right number.

If you're calling from a coin phone, the operator will either connect you with the number you wanted, or see that

a cash refund is mailed to you.

And here's another tip that might be helpful. If you're ever cut off — or get a bad connection during a Long Distance call, hang up. Then the person who made the call should dial the Long Distance Operator and tell her the problem. She'll get you a good connection, and adjust the charge for the time your call was interrupted.

We want to make sure you get your money's worth out of every dime you spend on your telephone service.

"Know Your Village Night" To Be March 6 In Mokena

The Mokena village board has set March 6 as "Know Your Village Night," and will hold its regular meeting at Willowcrest School to accommodate the citizens that the trustees hope will turn out.

The village hall is small and there is little room for spectators. March 4-11 has been designated as "Know Your Village Week" by the Illinois Municipal League with the idea of drawing people to board or council meetings that they may become acquainted at first hands with the operation of municipal government.

The Mokena board is now working a long range plan embracing study of street and sidewalk levels and

storm sewers. This is a master plan that is being prepared by Mulford Engineering that will be presented to the board after the sewer and water committee has discussed and studied it further.

With the paving of the east end of Front St., from Division to Schoolhouse Rd. new grades will be run for the street which will necessitate new sidewalk grades. This means, it was pointed out by the board, that new sidewalks will have to be built.

The board is prepared to have the walks laid and will charge the cost against the property owners on a foot-age basis. Individuals can have their own walks built,

if they choose, providing the work is done within a 30-day period, but it was pointed out that if a blanket contract is let for the entire project the property owners will find it less costly than if done individually.

New sidewalks also will be laid in the block on Front St. west of Wolf Rd., now that a house has been removed that was holding up the project.

Some trees, described as undersirable, will be removed from parkways and new ones planted.

The Garden Club has been given permission to beautify the area bordering the Rock Island property along McGovney St. by removing dead trees on village property and replacing them.

At the request of Police Chief Roy Newton the village board has hired Mrs. Evanis Dina in cases involving the searching and transportation of women prisoners to Joliet. She would be paid \$2 an hour for the time spent on such duties. Up to now it has been necessary to bring a matron from Joliet to Mokena in cases involving female prisoners.

Attorney August Santoro appeared before the board to represent Mr. and Mrs. Ross Leach, Hamilton St., who have been complaining of the burning of refuse behind the Country Fair Bakery, which is adjacent to their property. The village does not have an ordinance covering the situation, it was said, but Santoro is invoking a state law covering open burning. The board promised some action will be taken, possibly enactment of an ordinance.

Re: Notice of Letting New Lenox, Illinois "Notice of Letting:

Sealed proposals will be received in the office of the Village of New Lenox, Illinois, until 11:00 o'clock A.M., March 6, 1968 for the addition of chlorination facilities to the existing sewage treatment plant and at that time publicly opened and read.

The work required consists of constructing a 12'x15'x8' concrete contact tank, a 7'x8' block building, chlorination equipment and controls, and the necessary interconnecting piping.

Plans and specifications may be obtained from Robert E. Hamilton, Consulting Engineers, 2112 W. Jefferson Street, Joliet, Illinois. A deposit of \$10.00 for Contract Documents will be required. For complete documents returned in good condition ten days after the opening of bids, the full deposit will be returned to bonafide bidders and one-half to all others.

Each proposal must be submitted on the regular forms contained in the Contract Documents and shall be accompanied with certified check, bank draft, or a bid bond in the amount of 5% of bid.

The owner reserves the right to reject any or all bids and to waive all informalities in bidding.

IN MEMORIAM
 In loving memory of William Knierm who passed away one year ago February 24.
 You left us oh, so suddenly,
 Your last thoughts were unknown,
 A bitter grief, a shock severe
 It was to part with one so dear.
 We often sit and think of you,
 and speak of the blizzard and
 how you died.
 To think you could not say Good-bye,
 Before you closed your eyes.
 You left a beautiful memory we are
 very proud to own.
 The tears we wipe away, but in our
 hearts you will always stay.
 What it meant to lose you, no one
 will ever know.

TRAINEE
DRAFTSMAN

Expansion has created an excellent opportunity in our mechanical design area for a draftsman trainee. Experience, though desirable, is not necessary. A minimum of 2 years high school drafting and a good math aptitude would be required.

Excellent working conditions in our newly expanded building are complemented by company paid profit sharing, one week's vacation after 6 months, and paid hospitalization and life insurance. Please call or write in confidence to Mr. T. McGerty:

Appoint Osborne

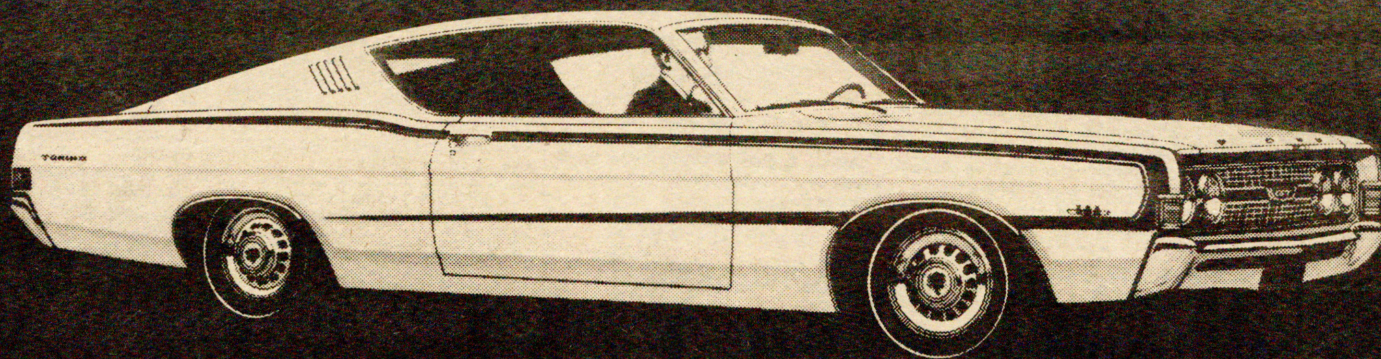

Thomas G. Osborne Jr., 15214 Hiawatha Trail, has been selected by the Orland Park Grade School board to take the place of Robert E. Dowdy, resigned, whose term expires in April, 1969. Mr. Dowdy resigned because of the press of business.

Osborne, manager of engineering for the Chicago Casting Division of Clark Equipment Co., is a graduate of Drake University and a senior member of the American Institute of Industrial Engineers. He is president of the CCD Chapter of American Management Association.

In World War II he flew bombing missions in B-24's.

The Osbornes have two children, Patricia and Thomas III. They are members of the Orland Park Methodist Church where Mr. Osborne is active in youth activities and is also on the finance and education commission.

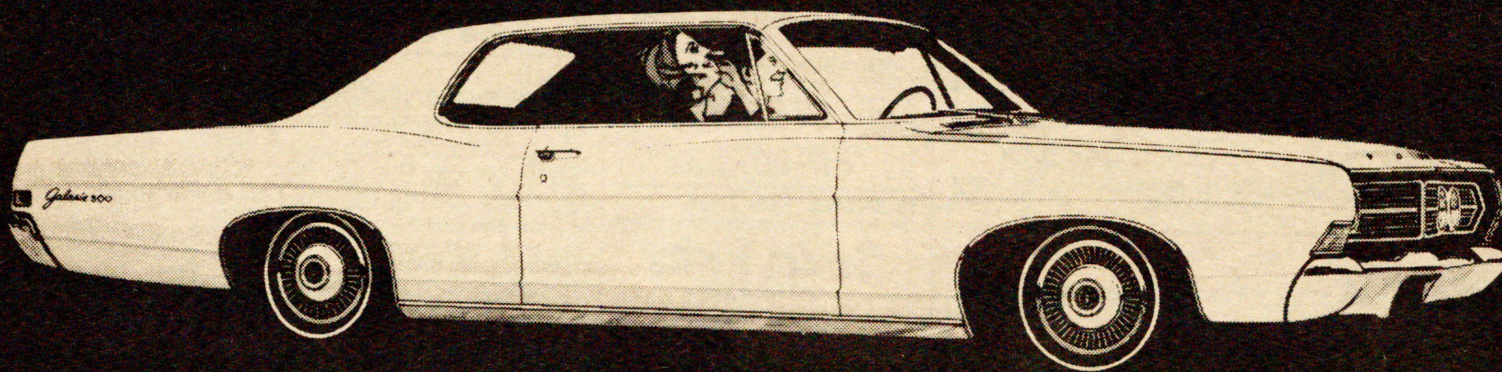

Three money-saving ideas from Ford Country

A fresh idea: Torino

A wild idea: Mustang

A big idea: Ford Galaxie

Ford Country is hardtop country and we've got more hardtops than anybody. Torino—more car than 38 competitors and only intermediate fastback in the country. Mustang—America's unmistakable favorite. Galaxie—the hardtop that brought quiet back
